   ii. Student “outed” by professor in class and seek administration help
   iii. Targeted by people outside of the SJU community
   iv. Gender inclusive housing and restrooms
      1. There should be more these restrooms labeled

d. SJU Resources
   i. Main resources is CAPS and GSA
   ii. There is a great need to have a professional that deals solely with the LGBTQIA

e. Other Jesuit Schools
   i. Boston College and Georgetown University are leaders in providing support for their students that identified in the LGBTQIA community

f. Proposal
   i. Students seek help from students and volunteer staff members currently
   ii. The Inclusion and Diversity Chair will help in the future to be a resource/connection to
the administration and other areas on campus

g. Questions
i. Administration would like data of the campus to help bolster the need for a professional

ii. The center at Georgetown was created before the professional came after students sued the university. We are trying to be more proactive.

iii. There is little over 400 members of the SJU community that is Safe Zone trained

iv. The usage of Moore Hall is a potential idea for a center however there is again the pushback from administration

v. The steps that the Senate can take to help the movement are go to the administration and board of trustees to stress the importance of the aiding the community

vi. GSA is perceived as the whole LGBTIQA community and not the whole LGBTIQA community that doesn’t associated with GSA

vii. Gender neutral bathrooms should be advertised better

viii. The ideal professional will be to connect with students, faculty, staff, administration and board of trustees to help provide trainings and support students through different ways such as gender inclusiveness bathrooms, a center, etc.

ix. The safety of students should be a high need consideration in the future, which includes training such as Safe Zone and an advocate.

x. The GSA, currently, would be happy to have an existing staff member take on this job.

i. Just under 50 % have heard of it
ii. Over 30% have not heard of it
g. Questions/Thoughts
i. Student health 101 has board data analysis
ii. It is on the Nest on the side image on the Campus Life tab
iii. Social media should be used more to promote it
iv. Have a student to be on the committee that picks the content
v. The $5,000 fee is standard fee for college to have a year along subscription
vi. The magazine is a helpful to help students learn ways to take care of themselves
vii. The worth of the magazine should be considered compared to other needs students are asking for
viii. The need of student advocacy for it could help it become more popular
ix. Most of Senate believes that it should continue next year
