JFB PUBLIC SAFETY RESOLUTION

The Saint Joseph’s University Student Senate received and acted upon the following resolution in due course and with proper procedure, and as such, has passed this expression of the resolution with a clearly plural majority:

WHEREAS, in conjunction with academic success, safety remains an eminent goal of St. Joseph’s University;

WHEREAS, our geographic location presents both opportunities and challenges to the safety of pedestrians and residents;

WHEREAS, the need for a robust and effective public safety apparatus has been repeatedly underscored;

WHEREAS, the St. Joseph’s University’s student government seeks to make the campus a safe environment for all students and have trust in the Public Safety Services;

WHEREAS, every student, faculty, and staff member of St. Joseph’s benefits from a secure and safe campus;

Be it hereby resolved by the Saint Joseph’s University Student Senate:

Supports the creation of a Committee named in recognition of the strength and passion exhibited by Julia Furey-Bastian;

Seeks to create a standing Public Safety Committee to:

a. Establish a working relationship between members of Senate, administration, community, and student body regarding Public Safety on campus;

b. Work to improve relationships between students and Public Safety;

c. Highlight areas of problems and solutions involving campus security; and,

d. Address said issues in a collaborative approach.

Instructs the Committee to:

a. Include representatives of the University Student Senate, St. Joseph’s employees, student body, and relevant stakeholders at the direction of the Senate Public Safety Chair;

b. Serve as the spearhead for all Senate initiatives involving student pedestrian and general safety on campus and other issues brought forth regarding Public Safety; and,

c. Meet monthly to engage in productive and diligent problem-solving.

Herein and thereby accepted through the Saint Joseph’s University Student Senate President and Senators

President Jason M. D’Antonio
